COMPANY PROFILE

SIVELA INTEGRATED SOLUTIONS (PTY) LTD

Company Registration Number: 2026/821600/07

Our Promise: Integrated Solutions. Meaningful Impact.

1. Company Overview

Sivela Integrated Solutions (Pty) Ltd is a multi-disciplinary solutions company established to provide comprehensive, reliable and innovative services across various industries.

The company operates through specialised business divisions, each focusing on a specific area of expertise while working collaboratively to provide clients with integrated solutions.

Our business model is built around understanding the unique needs of every client and bringing together the necessary skills, technology, suppliers, resources and professional expertise to deliver practical and sustainable outcomes.

From information technology and creative services to procurement, logistics, engineering, construction and heritage-inspired products, Sivela aims to be a trusted partner for organisations seeking convenience, quality and value through one service provider.

We believe in building long-term partnerships, creating opportunities and delivering solutions that make a meaningful difference.

2. Our Vision

To become a recognised and trusted integrated solutions company in South Africa and beyond, known for innovation, service excellence, creativity and the ability to deliver comprehensive solutions across multiple industries.

3. Our Mission

To provide accessible, innovative and client-focused solutions by combining specialised services, strategic partnerships and operational excellence.

We are committed to understanding our clients' needs, sourcing the right expertise and delivering solutions that create value, support growth and contribute to economic development.

4. Our Core Values

- **Integrity:** Conducting business with honesty, transparency and accountability.
- **Innovation:** Embracing new ideas, technologies and better ways of working.
- **Excellence:** Maintaining high standards in every service we deliver.
- **Partnership:** Building meaningful and sustainable relationships with clients and suppliers.
- **Reliability:** Delivering on commitments and taking responsibility for results.
- **Inclusivity:** Recognising diversity, celebrating different cultures and creating opportunities for all.
- **Impact:** Contributing to economic development, empowerment and sustainable communities.

5. Our Business Divisions

Sivela Integrated Solutions operates through five specialised divisions.

5.1 Sivela Tech

Technology. Connectivity. Innovation.

Sivela Tech provides technology solutions that help businesses and organisations operate efficiently, securely and effectively.

Our services include:

- Information Technology (IT) solutions and support.
- Computer networking and infrastructure.
- Systems development, integration and implementation.
- Website design, development and maintenance.
- Cybersecurity solutions and digital protection.
- Supply of computers, laptops, printers and IT equipment.
- Hardware and software procurement.
- IT installations, maintenance and technical support.
- Business technology solutions and digital transformation.

Our objective is to help clients build reliable, secure and connected working environments.

5.2 Sivela Creative

Ideas. Identity. Influence.

Sivela Creative focuses on developing brands, creating compelling communication and delivering creative solutions that help businesses and organisations connect with their audiences.

Our services include:

Marketing and Branding

- Brand development and positioning.
- Corporate identity and logo design.
- Marketing strategies and communication plans.
- Corporate profiles and business presentations.
- Promotional materials and advertising campaigns.

Digital and Social Media

- Social media management.
- Digital marketing campaigns.
- Content creation and creative direction.
- Digital advertising.
- Online brand development and engagement.

Interior Décor and Design

- Interior design and space planning.
- Corporate and office interior styling.
- Residential interior décor.
- Furniture and décor sourcing.
- Reception areas, boardrooms and executive spaces.
- Hospitality and commercial interior concepts.

info@sivela.co.za
www.sivela.co.za

We combine creativity, strategy and design to create memorable brands and functional, inspiring spaces.

5.3 Sivela Supply & Logistics

Sourcing. Procurement. Delivery.

Sivela Supply & Logistics provides procurement, sourcing and logistics solutions tailored to the operational requirements of our clients.

We understand that organisations have different needs, ranging from everyday office requirements to large-scale equipment and infrastructure procurement.

Our services include:

Procurement and Supply

- Office furniture and equipment.
- Computers, laptops and IT accessories.
- Stationery and general office supplies.
- Personal Protective Equipment (PPE).
- Industrial and operational supplies.
- Machinery, tools and equipment.
- Furniture and fittings.
- Specialised product sourcing.
- Supplier identification and coordination.

info@sivela.co.za
www.sivela.co.za

Logistics and Distribution

- Product sourcing and supplier coordination.
- Delivery and distribution services.
- Transportation and freight coordination.
- Trucking and vehicle logistics.
- Warehousing and distribution coordination.
- Bulk deliveries and operational supply management.
- Logistics planning and project-related deliveries.

Our approach is flexible and client-driven. We identify what the client requires, source suitable suppliers and coordinate the supply and delivery process.

Whether a client needs laptops and office equipment, furniture for a new building, PPE for employees, machinery for operations or transport for large deliveries, Sivela works towards providing an appropriate and cost-effective solution.

5.4 Sivela Engineering & Projects

Planning. Engineering. Construction. Delivery.

Sivela Engineering & Projects provides coordinated project solutions for clients undertaking infrastructure development, construction, refurbishment and other large-scale projects.

This division brings together the capabilities of our different business units, allowing us to offer clients a coordinated, end-to-end project delivery approach.

SIVELA
INTEGRATED SOLUTIONS
ROOTED HERE. MOVING FORWARD.

info@sivela.co.za
www.sivela.co.za

Our services include:

Project Management

- Overall project coordination.
- Project planning and scheduling.
- Programme management.
- Contractor and subcontractor coordination.
- Quality control and delivery monitoring.
- Project reporting and administration.
- Budget and resource coordination.

Architectural Services

- Architectural concepts and design.
- Building plans and layouts.
- Space planning.
- Building design and development documentation.
- Coordination of architectural submissions.

Quantity Surveying Services

- Project budgeting and cost planning.
- Bills of quantities.
- Cost estimates and financial assessments.
- Cost control and expenditure monitoring.
- Tender documentation and cost comparisons.

Engineering Services

- Structural engineering design.
- Civil and infrastructure engineering.
- Engineering assessments and technical planning.
- Infrastructure development solutions.
- Coordination of specialist engineering disciplines.

Building and Construction

- Building and construction coordination.
- New building developments.
- Renovations and refurbishments.
- Labour and workforce coordination.
- Materials sourcing and management.
- Subcontractor management.
- Site coordination and construction monitoring.

info@sivela.co.za
www.sivela.co.za

Integrated Project Delivery

One of Sivela's key strengths is the ability to combine its business divisions to support a single project. For example, an office development could involve:

- **Sivela Creative** for interior design and branding.
- **Sivela Tech** for networking, IT installations and equipment.
- **Sivela Supply & Logistics** for furniture, materials and procurement.
- **Sivela Engineering & Projects** for project management, building and construction.

This integrated approach gives clients a coordinated point of responsibility throughout the project.

Professional architectural, engineering and quantity surveying work requiring statutory registration will be undertaken by appropriately registered professionals and specialist partners.

5.5 Sivela Heritage

Celebrating Identity. Embracing Diversity. Inspiring Unity.

Sivela Heritage is envisioned as a cultural lifestyle and fashion division celebrating South Africa's diverse cultural identity through clothing, fashion and heritage-inspired products.

The division will seek to create a clothing brand that recognises the richness of South Africa's cultures while embracing modern lifestyles, inclusivity and individuality.

Our vision is to create collections that represent the country's cultural diversity without limiting fashion to a particular ethnic group or traditional occasion.

info@sivela.co.za
www.sivela.co.za

Our Heritage Collections

- **Cultural Collections:** Clothing inspired by the unique identities, patterns, colours, symbols and traditional aesthetics of South Africa's different cultural communities.
- **Traditional Meets Contemporary:** Modern clothing incorporating heritage-inspired elements suitable for everyday wear and special occasions.
- **Inclusive Fashion:** Collections designed to accommodate different body shapes, sizes and personal styles.
- **South African Unity Collection:** A signature collection celebrating the shared identity of South Africans. Designed for anyone to wear, regardless of cultural background.
- **Heritage Accessories:** Fashion accessories and lifestyle products inspired by South African heritage and craftsmanship.

Our Philosophy

We believe that heritage should be celebrated, preserved and shared. Sivela Heritage will promote cultural appreciation, representation and unity through fashion.

Our goal is to build a proudly South African lifestyle brand that honours individual cultural identities while bringing people together.

6. Our Integrated Solutions Approach

What differentiates Sivela Integrated Solutions is our ability to bring multiple services together under one business structure.

Rather than providing isolated services, we look at the bigger picture and develop solutions that respond to the full requirements of our clients.

Our integrated approach follows five key steps:

1. **Understand:** Identify the client's needs, challenges and objectives.
2. **Plan:** Develop a suitable solution, scope of work and implementation approach.
3. **Source:** Identify the required expertise, suppliers, equipment and resources.
4. **Deliver:** Coordinate the implementation, procurement, installation or project execution.
5. **Support:** Provide ongoing assistance, maintenance, monitoring and after-sales support where applicable.

info@sivela.co.za
www.sivela.co.za

7. Our Target Markets

Sivela Integrated Solutions aims to serve a broad range of clients across the public and private sectors.

Our target markets include:

- Government departments and public institutions.
- Municipalities and local authorities.
- Traditional councils and cultural institutions.
- Corporate organisations and private companies.
- Small, medium and micro enterprises (SMMEs).
- Non-governmental organisations (NGOs).
- Educational institutions and schools.
- Healthcare facilities.
- Property developers and construction companies.
- Industrial and commercial businesses.
- Community development organisations.

8. Our Competitive Advantage

Sivela Integrated Solutions offers a flexible business model designed to respond to different client requirements.

Our competitive strengths include:

- **Multi-disciplinary capabilities:** Multiple service offerings under one corporate identity.
- **One point of coordination:** Clients can access different services through a single service provider.
- **Flexible sourcing model:** We work with suitable suppliers, contractors and specialist professionals.
- **Client-focused solutions:** Services are tailored to actual operational requirements.
- **Integrated project delivery:** We combine different divisions to execute larger projects.
- **Scalable operations:** Our service model can accommodate small assignments and larger projects.
- **Strategic partnerships:** We build relationships that expand our capacity and technical capabilities.

9. Strategic Partnerships

Sivela Integrated Solutions recognises the importance of collaboration in delivering quality services.

We aim to establish strategic partnerships with:

- Technology providers and IT specialists.
- Marketing and creative professionals.
- Manufacturers and distributors.
- Furniture and equipment suppliers.
- Logistics and transportation companies.
- Construction companies and contractors.
- Registered architects, engineers and quantity surveyors.
- Fashion designers, textile manufacturers and cultural creatives.

info@sivela.co.za
www.sivela.co.za

Through these partnerships, we seek to expand our capabilities, improve service delivery and create opportunities for collaboration and economic participation.

10. Our Commitment

At Sivela Integrated Solutions, we are committed to providing practical, reliable and innovative solutions that respond to the changing needs of businesses, institutions and communities.

We believe in building lasting relationships through professionalism, accountability and service excellence.

Whether the requirement involves technology, creative development, procurement, logistics, infrastructure or cultural products, our approach remains the same: understanding the need and bringing together the right solution.
